RELEVANT WORK EXPERIENCE

Performance and Data Analyst Intern | Oldham Athletic A.F.C | Syracuse, NY

February 2026-Present

- Develop and deliver data-driven match reports and performance analyses utilized by Oldham's coaching staff to support tactical preparation and player evaluation
- Analyze league-wide UK data to identify potential summer transfer targets for the scouting and recruitment team
- Collaborate directly with club staff to ensure analytical outputs align with roster strategy and organizational priorities

Player Development Intern | Syracuse Football | Syracuse, NY

January 2026-Present

- Support operational management of 100+ Division I student-athletes, serving as a liaison between players, coaching staff, and performance departments to reinforce accountability and professional standards
- Design and maintain scheduling and tracking systems in Excel and Google Sheets to streamline meeting logistics and staff coordination
- Assist strength & conditioning and nutrition staff with daily performance operations, including workout monitoring and compliance tracking
- Lead the program's Community Service initiative by establishing partnerships with 30+ local organizations and coordinating athlete participation in outreach events

Statistician | SUNY ESF Basketball | Syracuse, NY

October 2025-Present

- Managed game-level statistical tracking and data validation, organizing structured datasets to support coaching staff review
- Generated efficiency metrics and lineup performance summaries to assist post-game evaluation

National Training Complex Operations Staff | USA Baseball | Cary, NC

June 2025-August 2025

- Supported daily operations at the USA Baseball National Training Complex, including ticket sales, guest services, scoreboard operation, GameChanger, and on-field safety during events
- Managed real-time scoring and data accuracy (TrackMan, GameChanger) while coordinating with coaches and operations staff to ensure seamless execution

Statistics Intern | Raleigh RedOaks Baseball | Raleigh, NC

June 2025-August 2025

- Oversaw official game scoring and statistical reporting for a collegiate summer league team, ensuring data integrity and league compliance
- Provided live statistical insights to coaching staff and broadcast team during competition

Cashier/Line Cook | Lilly's Pizza | Raleigh, NC

October 2024-August 2025

- Delivered customer service in a fast-paced environment while maintaining product quality, efficiency, and food safety standards

- Collaborated with teammates to support daily operations and maintain a clean, organized workspace
-
